**Made by** Vice Chair Delbene **Seconded by** Member Hsia

Discussion about the formality of keeping records of applicants and interviews for every position. The idea is to maintain the current policy (limits the position to the Executive Director position.)

<tbody>
<tr>
<td>Discussion</td>
<td>Executive Director Hedlund, Director Peterson and CFO Lundgren have been working on various options for interim and long-term expansion.</td>

</tbody>
</table>

  Long-term: We need space for about 100 students per grade for grades 6-12. We also need additional space at lower school for growing Chinese programs, music programs, Chinese and Spanish FLES programs. We need to have the ability to expand the preschool for a larger feeder program. Possibility of looking into dormitories for exchange students. The Marcott House is being used as visiting teacher housing currently. |

  In the meantime: We need to determine what to do next year (2018-2019) at upper school. We have looked at shifting grades and utilizing other spaces in Forest Lake including nearby former health club building, learning centers, former bank building, and churches. We have also looked into portable classrooms and structures. Strongest option is portable classrooms at the Headwaters campus due to not adding a separate site and accompanying overhead. |

  Next Steps: Meet with Dougherty about facility funding, the City of Forest Lake, and representatives of rental facilities. |

  Enrollment: We are under our projected enrollment. We have gained a few more students. We will continue looking into boosting enrollment. |

  We have a matching grant for outdoor classrooms and playground development. |
Marcott House: The Chinese teachers enjoy living in the house. Thanks to Chair Green and Member Bodine for all of their help with the house.
